## Boy's Writing

Date: 15th May 2018

Time: 1:30 to 3:30

Raise standards in writing by using fun, practical and achievable methods to inspire boys to write.

This course is high in energy and high in impact. It is packed full of activities your children will love and draws on the importance of talk and idea generation in the writing process. Learn how to make the most of collaborative learning and shared writing and discover strategies for modelling the writing process.

Bring writing to life in your school through dozens of ideas, games and approaches that are proven to help children generate creative ideas and accelerate their attainment..

### Key Objectives:

- To improve confidence and enjoyment in writing.
- To provide you with a range of inspiring activities, strategies and games that enable children to create powerful, creative ideas for their writing.
- To discover exciting and engaging activities to support high quality of teaching of spelling, grammar and punctuation.

### VENUE:

**St. Francis School,**  
Coronation Road,  
South Ascot,  
Berks. SL5 9HG
